

Round & About With ERIA 897-2006

*** charge thee therefore before God and the Lord Jesus Christ, who shall judge the quick and the dead at his appearing and his Kingdom: Preach the word, be instant in season, out of season; reprove, rebuke, exhort, with all longsuffering and doctrine.

For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears.

And they shall turn away their ears from the truth, and shall be turned unto fables.

But watch thou in all things, endure afflictions, do the work of an evangelist, make full proof of thy ministry. II Tim. 4:1-4

***Thinking of you, praying for you: Mrs. Mary Magwood, Mrs. Nunie Kelley, Mrs. Jean Johnson, Mrs. Velma Caldwell, Mrs. Cora McBride, Mrs. Mae Grimes, Mrs. Ester M. Daniels.

***Mass Choir Fifth Anniversary, Church of God By Faith, Caldwell St., New Brockton, Rev. L. McKinney, pastor. Oct. 15, 7:30 p.m. Oct. 16, 3 p.m.

DONALD G. JEFFERSON

Donald G. Jefferson, Enterprise, is assistant principal at Elba High School. He is the son of Virgil Jefferson and the late Celia Jefferson of Selma.

He is married to the former Brenda Maddox, and they have one child, Tara.

His objective: to become an ad-

ministrator, to teach physical education, and to coach football and basketball.

This is his first year in an administrative position. He received his B.S. degree in Health and Physical Education with a minor in Political Science from Alabama State University, and special training from Livingston University.

He was at Enterprise High School since 1984 in the capacities of assistant football and basketball coach, and was assistant football coach, head track coach and junior high basketball coach at Opelika High School.

He has also coached at Tuskegee Institute High School and Selma High School.

Mr. Jefferson also was an outstanding football player during his college years, being named defensive player of the year and most valuable player.

He has been active in community and civic organizations also.

I was truly impressed with Mr. Jefferson as we sat in his office at Elba High, and I am aware now of the dedication he has for the work he is doing as an assistant principal.

His words to me were "It's good to see you," Mrs. Belcher. And again, he said, "I want the kids to know that education is the key to equality; that they can make good if they try."

Everything didn't come up roses for me, but I knew that I had to work and study hard if I wanted to fulfill my dream.

"I feel good when the children learn that I care for them. I'm here for them when they need me, and if they are disappointed at times, I want to tell them that not to despair - there's hope!"

Think, and don't defer your dream. Most of the children come to school to learn because they are interested in learning and they have goals they want to reach.

"I am surrounded by a group of colleagues that I can communicate with. I can work well with people for any good reason."

Mr. Jefferson and family attend St. Beulah Baptist Church, Enterprise, and they are members of West Trinity Baptist Church, Selma.

When a student comes out of the office after being sent there for disciplinary reasons, you know Mr. Jefferson was in control of the situation.

God bless you!

Eria

Happy wedding anniversary to Robert (Bob) and Cleve Williams Davis Oct. 1.

Behold the turtle. He makes progress only when he sticks his neck out. James Bryant Conant

Thursday night, Sept. 29, was a night I'll remember for a long time. Why? Because the Special Echoes were in concert at the Enterprise Training Center, and I was invited to attend.

These students, along with others, are special! They are dear to our hearts. They sing (under the direction of Kate Martin, Mr. Pleasant Community, Enterprise, and a volunteer worker), was wonderful. They were beautiful - standing straight and singing loud and clear.

Those attending from Elba, with yours truly, were Ernestine Kelley, Jana, Maria, Melissa, Brandon and Kimberly.

The Special Echoes are: Joyce McClain, Tony Johnson, Joe Sims, Cindy Tucker, Marcella Cannon, Donna Miller and Karen Morris.

Thanks, Mrs. Free, Alan Belcher, Vicki Smith and other staff members.

It's a good day - rejoice!

Eria

People In Partnership Make Electric Cooperative Unique

October has been named Cooperative Month for 1988. More than 60 million Americans receive housing, health, financial, insurance, farm marketing and supply, electric, phone and other services through their cooperative.

South Alabama Electric Cooperative is one of America's 1,000 consumer-owned rural electric systems that make a network of reliable electric power possible.

Between towns, electric lines travel down quiet country roads, across plains, deserts and mountains, reaching far and wide to light up the homes, businesses, farms, schools and churches in rural America - connecting communities, one with another.

Getting electric service to rural

homes in only half the job done by rural electric cooperatives. The other half of the job is keeping it there.

Through windstorms, tornados and ice storms, your cooperative is working to keep electricity delivered to your doorstep.

Cooperatives are a type of business in partnership in your community to get things done. Cooperatives can form a friendly image of desirable roles and relationships - arm-in-arm, hand-in-hand, supporting boosting and togetherness. These efforts can and do lead to things that make life easier, more productive and more satisfying for the people involved.

Other local cooperatives providing goods and services for the people of this area include Luverne Farmers Cooperative, Pike Farmers Cooperative, Goshen Farmers Cooperative, Gold Kist and Alabama Electric Cooperative.

The annual meeting of South Alabama Electric is scheduled for Tuesday, October 25, 1988.

Local cooperatives consist of people in partnership in your community. They are working hard for you and the nation. They need your support. During October join with the cooperatives and be a part of the people in partnership effort. Co-op efforts state.

During the training, students received instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, first aid, and Army history and traditions.

Notice is hereby given that the Plaintiff has filed a Bill of Complaint against you in this Court and you are required to appear and plead to or answer the same by the 14th day of November, 1988, or thereafter a default may be entered against you.

This is the 14th day of September, 1988.

BRAINSTORMS

With Ferrin Cox

We got Eddie Vaughan's attention last week. In fact we apparently hit him harder than he was expecting. Eddie had really been enjoying wisecracking all with us at the first council meeting. After our comments here last week and going to an orientation class for city officials Monday and being told to say nothing he wouldn't mind being in print. . . . Eddie just bit his tongue Monday night. We don't want to be the cause of him exploding, so we hereby give Eddie Vaughan permission to continue using us as a butt for any joke or wisecrack that enters his always clicking and busy mind.

Attorney General Don Siegelman was in town last week and as always, pushing his drug education program. He is always welcome in our office and was long before becoming Alabama's AG. We also support his efforts to educate individuals, businesses and whom ever on the dangers of drug abuse. There are dangers to co-workers and other innocent passers-by when a person is abusing alcohol and other drugs. Then there is the danger of toxic reactions to things like cocaine. . . . just ask the family and friends of that Atlanta Falcon football player who died Monday night after playing a game Sunday afternoon.

Several Sundays ago the choir director noted from the choir loft about missing my yawning for singing. Well last Sunday one of her choir members did the same thing. . . . real big and at least twice. Now, we know why this choir member was a bit tired and have nothing but admiration for the willpower it took to even be there at all! Just wish we had an equally good excuse for our yawns.

Last Thursday morning was one of those especially beautiful days we so often miss because of our sleeping or being in such a big hurry. We were driving down the road planning our work an hour or so ahead of ourselves when we noticed some trees we had passed regularly without noticing. This got us thinking and looking. We slowed down our speed and admired the beauty of the world as the sun rose above the trees. The more we looked, the more we saw to admire. We left home before 5 a.m. that morning and right now feel thankful that we got the chance to capture those scenes from nature in our memory.

There will be another presidential "debate" sometime or another soon. We are not worrying to much about when, because we know all the answers will be programmed responses and not real debate answers. What we will really be learning is which candidate can do the best job of reciting memory work and which group of teachers knows the best way to group words for answers.

A friend brought us a book, that promises a sure fire way of winning the lottery. . . . any lottery. We have just glanced it it thus far, but most of the things we saw were ads for more lotteries to enter or addresses of where to write to buy even more books on how to win the lottery. We are kinda expecting that the best way to win is by writing a book on "How To Win The Lottery".

There isn't a whole lot of advice running around from one college's football program supporter to another college's football program supporter. That is if they happen to favor Alabama, Auburn or Florida. These folks are being very careful about how they leave their friends from "that other school." Football is just a game and winning or losing will not change the price of eggs in China. . . . but ain't it a whole lot nicer to be on the winning side.

Yes, in response to your questions of concern, I have got on a pair of matching shoes and yes my socks match also and there ain't a single hole in them. . . . I don't think.

Cool weather is definitely with us now. It is a sure sign that winter is a whole lot closer. We really like this time of the year when we really don't need heaters or air conditioners to be comfortable. Slow down and enjoy it yourself.

October 29 Is Trick-or-Treat Night

Mayor Fred Moore has declared p.m. as Trick-or-Treat time in Saturday, Oct. 29, 5 - 8 p.m.

Employees

Honored At

Luncheon Oct. 6

The Coffee County Department of Human Resources honored its employees last week with an appreciation luncheon at an Enterprise restaurant and heard various speakers praise the efforts the county's department and its service to the citizens of the county.

Coffee County Human Resource Director Ronald Smith introduced all the employees to the large gathering of local officials and guests and presented certificates to each employee.

Fred Donaldson, chairman of the county Human Resource Board, read from several letters sent to the county from state officials praising the work of the department and told the workers that their working was very much appreciated and needed by everyone in the county.

State Human Resource Commissioner Andrew Hornsby was the featured speaker at the luncheon and commended the employees for their outstanding record.

Comm. Hornsby congratulated the employees on their recent 7 1/2 percent pay raise, but stated that when you think back to the last raise, it comes out to only 1 1/2 percent per year, since it was five years since the last pay increase was received.

The commissioner thanked Rep. Jimmy Holley, who was in attendance, for his efforts in helping the state department get a \$2 million increase in funding; however, Hornsby reported that of the increase \$3 million was needed to keep up with inflation and the other \$2 million would go to fund existing programs that had expanded.

We're proud to get the increase and it will help us better serve the people," said Hornsby, "but an increase of an additional \$13 million was needed and I encourage Rep. Holley and his fellow legislators to look at tax reform in the spring session in an attempt to raise the much needed funds."

OBITUARIES

MARY TINER

Mary Tiner, age 85, of Elba, died Sunday, October 9, 1988 in Southeast General Hospital in Dothan, AL.

Funeral services were held at 10:30 a.m. Tuesday, October 11, 1988 at Hayes Funeral Home Chapel with Rev. Buford Bradley officiating.

Burial followed in Mt. Gilead Church cemetery with Hayes Funeral Home directing.

Currie - Baston Wed In Titus, Alabama

Mr. And Mrs. Baston

Kristina Currie and Michael Baston were united in marriage in a double-ring ceremony at New Home Baptist Church in Titus, Ala., on Saturday, Aug. 27, 1988, at 11 a.m.

The ceremony was conducted by Rev. William O. Billingsley. The bride is the daughter of Peggy and Ben Carpenter of Elba. She is also the sister of Dana and Ronda Currie of Roanoke, and the granddaughter of Lilly Mae and the late Coy Hester of Wedowee.

The groom is the son of Brenda and Bobby Baston of Enterprise. He is the grandson of Lucille Brunson and Nora Baston, and the great-grandson of Mable Fleming, all of Enterprise.

The bride was escorted to the altar by her step-father, Ben Carpenter, and given away by her mother and step-father. Her wedding gown was of ivory Chantilly lace over satin. The princess bodice was detailed with elaborate beading of pearls and crystals. The slightly dropped waist was shaped with a deep point at the center front and back. A row of pearls edged the scooped neckline. Long fitted sleeves were puffed at the shoulders. The full skirt was tea-length.

The complement her gown the bride chose a floral wreath veil of tulle.

Her bridal bouquet was of white satin and peach roses, complemented with small crystals and peach and white lace ribbons.

Dana Currie served as maid of honor. She wore a peach satin tea-length dress edged in lace.

Richard A. Golly, long-time friend of the groom, served as best man.

Scholarships Available At MacArthur Tech.

Applications are being accepted for four scholarships to be awarded to students in the carpentry and cabinetmaking program at MacArthur Tech in Opp.

The scholarships will be available for winter and spring quarter and will pay for tuition and books.

For further scholarship information, call Wayne Bennett at MacArthur Tech, 493-3573.

Tammy Duncan

Tammy Duncan To Represent ZC At Peanut Festival

Tammy Ann Duncan, age 19, daughter of Mrs. Sheila Duncan and the late James Jerry Duncan, will represent Zion Chapel in the National Peanut Festival coming up in Dothan.

The annual Peanut Queen Pageant will be held at 8 p.m. at the Dothan Civic Center on Oct. 22.

Tammy is a student at Douglas MacArthur State College studying in the field of cosmetology and intends to further her education as an instructor in this field.

DAPHNE CHE' DONALDSON pledged Pi Beta Phi at Auburn University for the beginning year. She is the daughter of Janice and Ed Donaldson, and is a 1987 graduate of Elba High School. She attended Enterprise State Junior College for one year. She is majoring in biology at Auburn.

Boland - Blair Wedding

Melonee Leigh Boland and Michael Dean Blair were joined in matrimony Friday, Aug. 19, at seven o'clock in the evening in a candlelight ceremony at Basin Baptist Church in Elba. Rev. Don Polston officiated.

Parents of the couple are Mr. and Mrs. Jeart W. Boland and Mr. and Mrs. James H. Blair, all of Elba.

A program of nuptial music was provided by Mrs. Kenneth Baker, pianist, and Mr. Marty Harellson, vocalist.

Selections included "Surely the Presence," "One Hand, One Heart," "Holy Ground," "The Lord's Prayer," and "Make Us One."

Given in marriage by her father, the bride wore a formal gown of white satin with short puffed sleeves. Silk Venise lace edged the neckline and tiny embroidered satin petals accented the shoulders.

The waistline was circled with embroidered lace points in a scalloped pattern.

The full skirt of the bride's gown was edged in matching lace points and swept to a cathedral length train. Three satin bows with pearls, crystals, and bugle beads adorned the back.

The bride chose a mini-derby hat of Chantilly lace with pearls and crystals sprinkled over the crown. Silk blossoms and pearl peeps adorned the brim and a tall pouf of illusion held the fingertip veil.

Her bouquet was a silk cascade of white lilies, freesia, and Fuji mums accented with touches of royal and peach and trimmed with white peonies.

Maids of honor were Misty Boland, sister of the bride, and Delia Blair, sisters of the groom, both of Elba, and Sherry Waldon of Temple, Tex.

The attendants wore matching gowns of royal blue satin with a sweetheart neckline, shirred bodice and short puffed sleeves.

The floor-length skirts featured a ruffled peplum and bows extending down to a full kick pleat.

The attendants carried European styled bouquets of silk peach tiger lilies and peach freesia, accented with peach berry sprays and royal gypsophila, tied with peach peonies.

Abby Bryson, cousin of the bride, served as flower girl. She carried a basket of silk peach lilies to match the bride's bouquet.

James Blair served his son as best man.

Groomsmen were Wesley DeVane of Enterprise; Andy Bradshaw and Gary Weeks, both of Elba; Wesley Lee and Gary Weeks also served as candle bearers.

Blake Lambert of Red Level was ring bearer.

The mother of the bride wore a street-length dress of peach georgette with jewel neckline, long tapered sleeves and long princess waistline.

The groom's mother was dressed in a street-length gown of light blue lusterlong with long sleeves. The bodice was accented with pearls and rhinestones.

Vows were repeated and rings exchanged by the bride and groom in a traditional wedding setting.

The altar was centered with a 15-branched candelabra flanked by spiral candelabra forming a large oval. This was centered with a massive arrangement of peach gladioli, Gerbera daisies, carnations, Fuji mums and daisies.

A nine-branched candelabra tree filled with jade palms was placed on each side of the oval.

Satin and lace wrapped wreaths adorned with silk flowers to match the arrangement were used to accent the walls above the piano and organ areas.

The unity candle held a fresh arrangement of peach Gerbera daisies and white daisies.

The prayer bench was draped with royal ribbon.

Each window held a burning taper encased in a hurricane shade with jade palms and plumosa fern.

Fresh arrangements of peach Gerbera daisies and white daisies with peach ribbon designated the family seating area. All other pews were draped with royal and peach bows and ribbon.

Gravestone heart wreaths adorned with matching silk flowers and holding a design of crossed cross-stitch made by the bride graced the entrance doors.

The wedding was directed by Mrs. Don Polston of Elba. Mrs. Lorene Bryan of Elba registered guests prior to the wedding.

Mr. And Mrs. Dean Blair

The groom's table held a blue cloth with an Army-Navy overlay. The chocolate cake with cream cheese icing and chocolate trimmings was enhanced with a design of fruit and brass swan appointments.

Panels of white lattice work backed with a peach drape held a large arrangement of greenery with white daisies and royal ribbon.

Serving the groom's cake were Mrs. Stuart Bane and Mrs. Eddie Vaughan, both of Elba.

Refreshment tables were draped with white cloths with peach overlays.

Serving refreshments and punch were Jennifer Hodge, cousin of the bride, of Clearwater, Fla., and Mrs. Ronnie Petty of Elba.

Following the reception the couple left for a wedding trip to Florida.

PRE-NUPITAL PARTIES

A linen shower was given on Sunday, June 26, in the home of Mrs. Charles Matthews of Elba.

Co-hostesses were Mrs. Paul Stroud and Mrs. Ernest Marler.

The bride and groom were honored with a *poolside party* party and *cookout* on Saturday, July 9, at the home of Mrs. Charles Matthews.

Other hostesses were Mrs. Howard Morgan, Mrs. Mike Tindall, Mrs. Ronald Bryan, Mrs. Shelby T. Morrow, and Mrs. James Maddox.

A covered dish luncheon will be served at noon.

Everyone is invited to attend.

The Elba Baptist Church (located in the Snellgrove Community) will have Homecoming on Sunday, October 16, 1988.

50th Anniversary . . . Mr. and Mrs. Jack Willoughby of Arton were honored on their 50th wedding anniversary with a reception Aug. 28 at the Rocky Head Community Center in Arton. The reception was hosted by their children, Mr. and Mrs. Tommy Smith of New Brockton, and Mr. and Mrs. Jerry Willoughby of Montgomery. One hundred eighty-five friends and relatives attended the reception to celebrate this special occasion. Mr. and Mrs. Willoughby were married Aug. 26, 1938.

Amanda Leigh Mauldin Is One Year Old

Amanda Leigh Mauldin, daughter of Jeff and Teresa Mauldin of Elba, celebrated her first birthday on Sept. 29, with a party at the home of Mrs. Paul Macon. Her birthday was Sept. 30.

Grandparents are Mr. and Mrs. Norman Mauldin and Mr. and Mrs. Steve Hines of Elba.

Great-grandparents are Mr. and Mrs. Eulice Mauldin, Mable Mobley, and Mr. J.D. Farris, all of Elba.

Amanda has one brother, Gavin, age 4.

Amanda Leigh Mauldin

PASTOR'S CORNER

Rev. John B. Creech, Sr.
Zion Chapel Baptist Church

WHERE IS YOUR GOD?

The prophet Joel was praying to God on behalf of the faithless children of Israel. He didn't want the ungodly to make God's people an object of scorn and ridicule by asking the question, "Where is your God?" (Joel 2:17).

The children of Israel professed to be servants of the most High God; the Holy God who was above all other gods of every other nation. What a terrible situation the nation of Israel had gotten into in their day.

Unfortunately the Lord's church in many communities is in the same situation that Israel was in centuries ago. Professing Christians proclaim to know the truth above their fellow man, but when their lives are examined they are living the same immoral, sinful, ungodly lives as others who do not pretend to serve God.

The ungodly are justified in asking, "Where is your God?"

Some Christians take a firm stand on the teachings of the Bible

with their lips but their lives proclaim a different story. These individuals remind us of the story about the Christian who argued with his neighbor about the importance of the Lord's Day and how essential it was to assemble with the saints each Sunday.

His neighbor was silenced by the Christian's logic and use of the Scripture until they accidentally met again on the lake. It was a beautiful sunny, Sunday morning during the worship hour when their boats passed one another on the lake.

The neighbor yelled to his Christian friend, "I guess I won the argument after all!"

Some Christians talk so far above where they live that the world can truly ask, "Where is their God?"

What question does the world ask us today? "How can I find and have that God that lives in your life," or "Where is your God?"

Eban Baptist Church To Have Homecoming

The Eban Baptist Church (located in the Snellgrove Community) will have Homecoming on Sunday, October 16, 1988.

A covered dish luncheon will be served at noon.

Everyone is invited to attend.

Jan Silvius To Speak To United Methodist Women

Jan Silvius will be the guest speaker at the First United Methodist Church in Enterprise on Saturday, October 22, 1988, from 9:00 a.m. to 3:00 p.m.

Jan Silvius is warm, humorous, and refreshingly natural. She offers hope and encouragement to people confronted with the crushing disappointments of life and the crippling doubts about God's love.

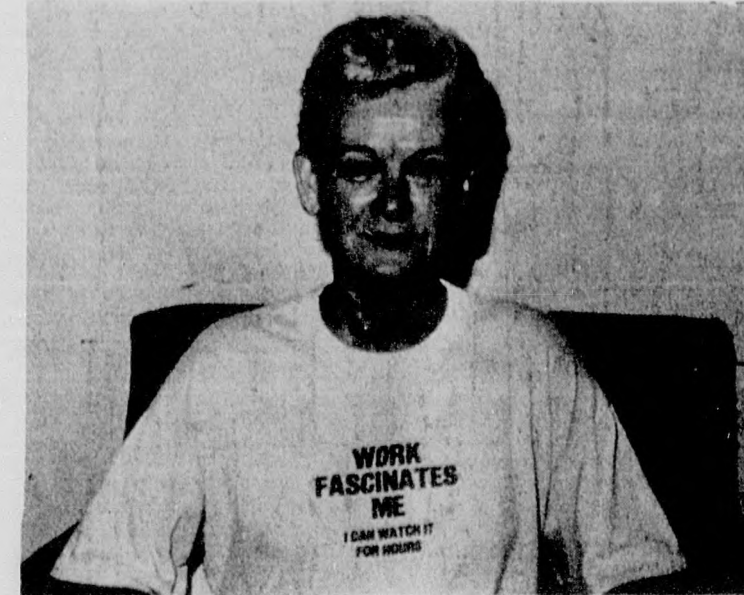

As a wife and mother of three teenage sons, Jan's message is filled with down-to-earth illustrations of everyday life. Tough topics become easier to swallow as Jan spices them with practical application of

Biblical principles.

Jan's purpose for communication is motivation, motivation to apply the reality of God's answers to the challenge of broken relationships and the painful confusion of life.

Jan has written two slim-line books, *The Heart of Marriage: Life Beyond The Veil and Understanding Women*.

For more information about registration call: Peggy Jeter, 341-6306; Becky Landon, 347-1980; or Church Office at 347-3467.

Seniors Of Cordelia Street Meet

By: Wanda Sasser

It was such a beautiful day when the Senior Citizens of Cordelia Street met for their weekly meeting at the HRDC Building on October 6.

The fall weather is just delicious—almost good enough to taste. A few members played dominoes and just visited and caught up with the news.

The Senior Citizen for this week is Thelma Duggan.

She has spent most of her life in Atlanta, Ga. Thelma has two children, and one granddaughter who still resides in Atlanta.

Thelma lives in Clintonville. She stays busy with bowling, ceramics, and camping. A real outdoors girl and even moves her lawn.

She has traveled extensively Korea and all over. Thelma also enjoys coming to the Seniors Club and other plays dominoes.

A delicious lunch was served to

the following:
Myrl Burkett, Helen McCahan, Bonnie Wesley, Rushie Blanton, Arthur Blackmon, Zedie Bouyer, Frank and Lennie McCollough, Minnie Davis, Dixie Mae Maddox, Grace Goodson, Thelma Duggan, Mattie Lou Goodson, Mavin and Winslow Matthews, Odell Reeves, M. Boling and Wanda Sasser.

Taylor Hill Baptist Church To Have Sing October 14th

The Gambills singing group will appear at Taylor Hill Baptist Church Friday evening, Oct. 14, at 7 o'clock.

Also present will be the WJIF Singers.

The church is located on Highway 84 west of Elba.

The public is invited, and refreshments will be served following the program.

CARD OF THANKS

The family of Chessie B. Cain wishes to express their heartfelt appreciation for the love and concern shown to them during the time of illness and death.

We thank you for all the food, flowers and cards; but, we are especially thankful for the kind words and prayers on our behalf.

Your thoughtfulness will always be remembered.

Thank You, Eleanor Maddox Family
Jo Ann Collier Family

ANSWERS! TO YOUR BIBLE QUESTIONS!

What is the best, most literal Bible translation?

There are certain keys to look for in a good translation. It should be a translation by a committee of translators, not an individual, and it should be based upon the best Hebrew and Greek texts available. The translation should be readable, and at the same time it should be an accurate reproduction of the original text. The translation should also be balanced, and not done to promote some particular sect, such as the New World Translation produced by the Jehovah's Witnesses.

The standard by which all translations must be measured is the King James Version (KJV) of 1611. It has stood the test of time. Strengths of the KJV include the fact that it was translated by a committee, from the best available text, and although not quite as readable as some modern versions, its language is readable to the educated person willing to study. Its weaknesses include some outdated words, and occasional insertion of inaccurate words into the text, such as Acts 12:14 which substitutes the word "Easter" for the word "Passover."

The most literal English translation is the American Standard Version (ASV), of 1881. Its greatest strength is also its greatest weakness. Because it is so literal, it is perhaps the most difficult translation to read. It sometimes sacrifices the translation of the meaning of a passage to preserve the literal translation of the individual words. The ASV was translated by a committee of scholars, and was based on more manuscripts than the KJV.

The Revised Standard Version (RSV), of 1946, is a committee translation, but unfortunately contains many poor translations, and removes the virgin birth of Christ from the text of Isaiah. The New English Bible (NEB), of 1961, is also a committee translation, but often completely disregards the original text, such as in Acts 20:7 where it substitutes "Saturday night" for the "first day of the week." The New International Version (NIV), of 1973, is perhaps the most accurate of the modern versions, but it has incorporated many doctrinal errors into the text, and the first edition removed the virgin birth of Christ from the text.

Paraphrases such as The Living Bible, Good News for Modern Man, and The Book, are not translations at all. Although they are readable, they are so inaccurate that they are a waste of time for the serious Bible student.

The best translations for the serious Bible student are the American Standard Version, and the King James Version, or an updated King James Version called the New King James Version (NKJV). Using these translations, you will more likely get an accurate understanding of God's will for you.

"A Christmas Party for Everyone to Enjoy"

BLEED THROUGH

STUDENT COUNCIL ELECTION HELD - Randy Flowers was elected Student Council president after an election held Sept. 30 at the Beat 15 voting house. John Parish was elected to the office of vice president. Also elected to office were Dana Dean, secretary, and Jennifer Flowers, treasurer. Each class then elected two representatives the following Monday. The representatives are Beverly Flowers and Tim Baker - seventh grade; Kacia Griffin and Bridgette Greenwood - eighth grade; LaShonda Rodgers and Brian Powell - ninth grade; Chris Dewberry and Sharon Rodgers - tenth grade; Ashley Wise and Tommy Gibson - eleventh grade; and Shannon Morris and Lisa Holcomb - twelfth grade. Before a student could become a candidate for an office, that person had to have at least a B average. After the person qualified as a candidate he/she entered into a period of campaigning. The campaign lasted for one week. At the end of the week an assembly was held so that each candidate could make a speech telling why each thought they were qualified for the office they were seeking. At the end of the campaign all students seven through twelve voted, using a voting machine. The Student Council held its first meeting on Oct. 5 to discuss writing a constitution for the Student Council. Pictured are Dana Dean, John Parish, Randy Flowers and Jennifer Flowers. By: Randy Flowers

FBLA ANNOUNCES "NATIONAL SUCKER WEEK" - The FBLA has introduced ZC to a new festivity which they've christened "National Sucker Week." To celebrate the week, students sent message-tagged lollipops - via FBLA - to fellow ZC students. Although last week was the "official" week, sucker sales actually started the previous Thursday. When a sucker was sold, a message written by the customer was taken down and also the name of the person to whom the sucker was to be sent. Suckers were sold at 50¢ a piece, and if more than one was bought, they were tied together in a pick-me-up bouquet. So that the suckers could be delivered Friday, sales were ended Tuesday. Mrs. Bryan, FBLA sponsor, announced to the club that 825 suckers had been sold - which was much more than had been expected. In fact, members were forced to work after school to get the messages prepared. "National Sucker Week" was conceived by the FBLA in order to raise money for a trip to the FBLA regional meeting in Mobile and, in spite of the unexpected magnitude of sales, was considered a success. The club raised \$500 toward the trip. By: Gayle Pyfrom

ZION CHAPEL FFA ELECTS OFFICERS - An election was held by the Zion Chapel Chapter of the Future Farmers of America (FFA) for the purpose of electing officers for the 1988-89 school year. The qualification requirements for candidates in each office included memorizing the official duty of each individual office, knowing the FFA creed, and having the ability to conduct a meeting in an orderly manner. The following students were elected: (L-R) Steve Canley - president; Mike Senn - vice president; Pam Langley - secretary (not pictured); Toray Haynes - treasurer; Chris Moultry - sentinel; and Keith Ward - reporter. Mr. Harold Stewart is the club advisor. By: Stuart Nelson

Seniors Plan Graduation

By: Jackie Herbert
The senior class is planning for graduation. On Oct. 18, the seniors will order graduation announcements, name cards, memory books, class keys, and thank-you notes. In a class meeting the seniors were given a choice of memory books. They were also given a choice of number of announcements and name cards to order. Last year a Zion Chapel High School crest was designed that will be on this year's graduation announcements.

SCHOOL MENU

Thursday - Sausage Patties, Jelly, Biscuits OR Cereal, Juice, Milk
Friday - Toast, Sliced Peaches OR Cereal, Juice, Milk
LUNCH
Monday - Pizza, Corn-on-the-cob, Vegetable Sticks, Applesauce Cake, Milk
Tuesday - Fish Fillet, Potato Salad, Pear Half, Hushpuppies, Peanut Butter Cookie, Milk

Juniors Take Graduation Exam
By: Lisa Holcomb
Tuesday, Oct. 4 through Thursday, Oct. 6, was the time for the class of 1990 to put on their thinking caps. They took the Alabama High School Graduation Exam, which consists of

three different areas. Tuesday began with the reading section. Wednesday was the math, mostly general application; and the language concluded the test on Thursday. Each morning after an area was tested, Mr. Taylor, guidance counselor, and Mr. Whitehurst, principal, would take the answer sheets to the officials at the Coffee County Board of Education. Then the answer sheets were sent off to be graded. All students must pass the three areas of the test in order to graduate. If the areas are not passed at this time there will be another chance for passing in the spring.

Judson College To Host College Day

Judson College will host College Day Saturday, Nov. 12, beginning at 9 a.m. College Day is designed to introduce prospective students to Judson College, students and faculty, and includes campus tours, a step-singing, lunch and field hockey games between Judson students and alumni. For more information contact Judson College, Office of Admissions at 683-6161 or call toll free at 1-800-239-3316.

Fall Preview Days Set At Birmingham-Southern College

Birmingham-Southern College will host Preview Days on both Saturday, October 15th and Sunday, November 19th. High school students and their parents are invited to attend to find out more about the College. Activities will begin with registration at 8:30 a.m. in Munger Hall on the Birmingham-Southern campus. Throughout the day prospective students and their parents will be able to tour the campus and talk with students, faculty, and administrators. They will also have a chance to attend special sessions on academic programs, scholarships and financial aid, campus life and organizations. Other activities will include a fine arts presentation, academic lectures, and an art exhibit. To make reservations or for more information, call the Admissions Office at 266-4696, or toll-free at 1-800-826-3064 in Alabama.

Rebels Hit Hard With Injuries

By: Tobin Lowry
Due to recent injuries, the Zion Chapel football squad has been cut short of players. Six of the 12 varsity players played in the Hartsfield game with injuries. Leading off the injury list is Jason McLeod, who will be out for three weeks with a fractured hand. John Parish was hospitalized with a severely infected hand and will not return until the infection goes down. Jamie Duncan has both a sprained shoulder and a sprained ankle. Kendall Grissett, who is also injured, has a possible metatarsal fracture of the hand. Freddie Culver has a pinched nerve in his shoulder and a sprained ankle. Tobin Lowry has a bruised shin bone. Danny Ray Owens has a broken thumb.

Science Class Learns To Bend Glass

By: Jeff Hussey
Mrs. Anita Grant's Chemistry and Physics classes participated in a laboratory where they learned techniques of cutting, fire polishing, and bending glass tubing into specific angles. The procedure for the lab included scoring the tubing with a triangular file and applying pressure so the tubing would break apart. The cut ends were then heated over a laboratory burner flame until the edges were rounded. Then the tubing was held over a flame spreader on the laboratory burner until the glass became soft. It was then removed from the flame and bent quickly and held until the glass hardened. This tubing will be used in later experiments. This was a fun lab and at the same time educational. This particular lab experiment was not available to last year's classes because of a lack of equipment needed for the experiment. The new equipment was purchased this year along with other science materials.

Band Gets Superior Ratings

By: Rhonda Jackson
Superior was the rating received by the Zion Chapel Band at the Daleville International Band Classic Saturday, Oct. 1. The band traveled to Daleville on an overcast day for its first contest of the year. The day started at the school at 12:45 for a run-through and a pep talk. Everyone then loaded the bus ready to go. By arriving early, there was enough time to watch a few bands before their own performance. When it was time to warm up, the rain started. Uniforms and people were dampened, but not their spirits. The rain cleared before performance time and it was "Go or die" time for the band. At award time, when the scores were called out, they were 1-1-1 for the overall 1 (superior) for the band, 1 for the percussion, and a 1 for the drum major. The color guard received a 2 (excellent). The band will travel to Opp Oct. 15 for the Little Big Horn Marching Contest.

Psychology Class Studies Child Development

By: Melissa Stephens
Mrs. Sylvia Lowery's Psychology class had visitors while studying into the genes, creativity, and childhood development. Mr. Pat Taylor, guidance counselor at Zion Chapel, talked to the class about IQ's and IQ tests such as the Stanford Binet. Mrs. Melissa Hodge talked to the class about mental retardation. Lia Jones, Mrs. Lowery's daughter, brought two of her children, Ashley, who is three, and Amelia, two, to the class. She discussed and demonstrated differences in different stages of development. Mrs. Lowery said, "The class was entertained as well as instructed. Another member of the class said, 'We found out how these things affect our lives.'"

Annual Orange Sale Underway At ZC

By: JoAnn Culver
Zion Chapel FFA has started their annual orange sale. Minimum deposit is \$1 per box. Navel oranges and tangelos are \$15 per box. Hamlin and pink grapefruit are \$14 per box. To place an order, see an FFA member at ZC. Fruit will be delivered to the school the second week in December. The school can be contacted at 897-6275 to place an order.

AN EQUAL OPPORTUNITY EMPLOYER

SAFARI - Any kind of garment having to do with a safari was worn by many spirited members of the student body and faculty at EHS Monday, Oct. 3, for Safari Day in order to support the Elba Tigers. Every day during homecoming week at EHS, the varsity cheerleaders sponsor dress-up days. The cheerleaders believe that dress-up days are a good idea because students get more involved and school spirit is increased. Most students enjoy the dress-up days and this increased school spirit rules off on the football team, helping to fire them up. Tuesday, Oct. 4 was Auburn-Alabama Day, and students were asked to wear clothing with Auburn or Alabama on it. Wednesday students came dressed as their parents might have dressed back in the 50's for Fifteen Day. Thursday was probably the most popular day as students came dressed as their favorite star. Friday, students were dressed in black and gold to display their school colors in true fashion. By: Susan Johnson

SENIORS OF THE WEEK - (L-R) Joe Barnes is the 17-year-old daughter of Joe and Shirley Barnes. She has always attended EHS. Neki's favorite class is English and her favorite teacher is Mrs. Tucker. Her hobbies are singing and having fun with her friends. Her most memorable time in her school life was when she became a senior at EHS. Neki plans to attend college and become a music major. Good luck Neki!
Nancy Lison is the 18-year-old daughter of Annie Jean Tyson. She has always attended Elba High School, where she is a member of VICA Club. She works at Kleinfert's. Her favorite class is algebra and her favorite teacher is Mrs. Tucker. Nancy's hobbies are working with the computer and playing softball. Her suggestion for improvement is to have a longer recess. Her most memorable time is being with all her friends and becoming a senior. Nancy wants to attend college and join the Army after graduation.
Yolanda Walker is the 17-year-old daughter of George and Annie Walker. She has always attended EHS. Her favorite class is Speech and her favorite teacher is Mrs. Tucker. Yolanda's hobby is being with her friends. Her suggestion for improvement is to have a longer lunch period. Her most memorable time was going to Orlando with the band and becoming a senior. Yolanda wants to attend Enterprise State Jr. College after she graduates. By: Susan Johnson

FFA Orange Sale Begins

By: Chad Smith
The local FFA Chapter is selling fruit. The sale began this week and will end about mid-November. Costs of a full case range from \$14-\$20. Half case is \$7-\$10. Kinds of fruit being sold include: Navel oranges - 1 case - \$17.00 - half case - \$8.50
Hamlin - case - \$14.00; half case - \$7.00
Tangelos - case - \$14.00; half case - \$7.00
White grapefruit - case \$14.00 - half - \$7.00
Pink grapefruit - case - \$14.00 - half - \$7.00
Apples - case - \$20 - half \$10.00
Agriscience teacher Mike Harrison stated, "For every case sold a student will receive \$1.00 and for every half case they will receive 50 cents." Students enrolled for an entire two semesters and students taking the Agribusiness course for 12 weeks are urged to sell the fruit.

Attention Seniors!

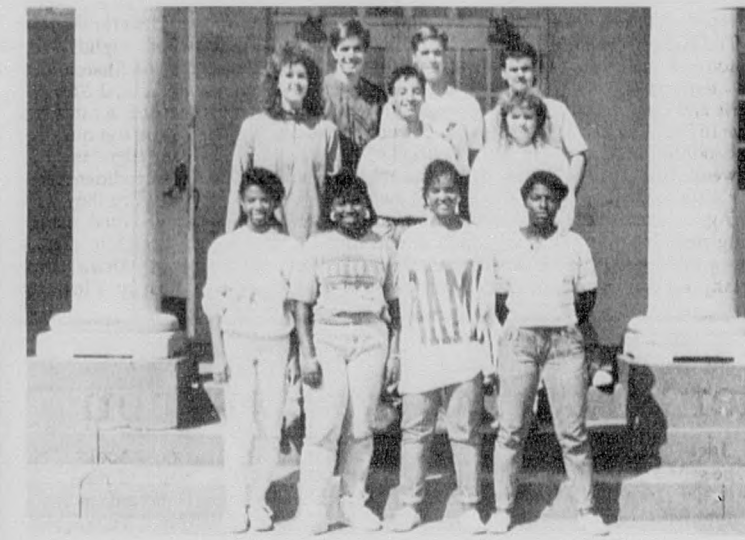

Elba Elementary & Middle School
Oct. 17 - 21
BREAKFAST
Monday - Cheese Toast, Juice, Milk
Tuesday - Cinnamon Rolls (homemade), Juice, Milk
Wednesday - Cereal, Juice, Milk
Thursday - Biscuits and Sausage, Jelly (homemade), Juice, Milk
Friday - Pancakes with Syrup, Milk

SECTION LEADERS OF 1988-89
Lee Coleman is 17 years old. He is in the 12th grade. Lee is a member of the Mu Alpha Theta, Senior Beta Club, S.A.D.D. and the marching band. He has been marching for five years and a trombone section leader for one year. Lee's ambition is to put Billy Sheehan out of a job.
Rob Rhoades is 17 years old. He is in the 12th grade, and is a member of the Spanish Club, 4-H Gold Key Fraternity, and the marching band. Rob has been marching for five years and a trombone section leader for one year. Rob's ambition is to be editor of The Elba Clipper.
Chuck Daugherty is 18 years old. He is in the 12th grade. Chuck is a member of the FFA and the marching band. He has been marching in the percussion line for five years and a section leader for three years. Chuck's ambition is to be able to outplay Neil Peart on drums.
Ashley Oatesley is 15 years old. She is in the 10th grade. Ashley is a member of the Mu Alpha Theta, FBLA, and the marching band. She has been marching for three years and a mellophone section leader for one year. Her ambition is to be assistant editor of The Elba Clipper. (Hal Ha!), and to be able to make it through the day.
Chad Tindol is 16 years old. He is in the 11th grade and a member of the Phase III, the Senior Beta Club, Mu Alpha Theta, and the marching band. Chad has been marching for four years and a section leader for the tuba for one year. Chad's ambition is to turn 17 years old.
Shiloh Allen is 17 years old. She is in the 12th grade, and is a member of the FFA and the marching band. Shiloh has been marching for five years and is presently serving as flute section leader. Her ambition is to be a reporter for The Elba Clipper.
Gayna Smith is 17 years old. She is in the 12th grade and a member of the Senior Beta Club, Mu Alpha Theta, and the marching band. Gayna has been marching for five years and a section leader for flutes for two years. Her ambition is to own The Elba Clipper.
LaTeisha Less is 16 years old. She is in the 10th grade. LaTeisha is a member of the FFA and the marching band. She has been marching in the color guard for two years and has been captain for one year. Her ambition is to become Miss America. Seriously, she wants to attend college or go into the Army to be an R.N.
Connie Williams is 15 years old and is in the 10th grade. She is a member of the FFA and the marching band. Connie has been marching in the color guard for two years and has been co-captain for one year. Her future ambitions are to be EHS in 1991 and marry Greg Sowell after college.
Renethia Renna Whitfield is 17 years old. She is a senior this year and is a member of the Spanish Club and the marching band. Renethia has been marching for two years and assistant co-captain for one year. Her ambition is to go to TSU and for two years and assistant co-captain for one year. Her future ambitions are to be EHS in 1991 and marry Mr. Stacy Adkins.
By: Sharon Hyton and Chad Tindol.

Los Estudiantes de EHS Viajan a Mexico!
Seven students from Elba High School traveled to Mexico in July for an exciting five-day tour of Cancun. Mrs. Lynn O. Cook, Spanish teacher at EHS, organized the trip through the Educational Travel Company located in Boca Raton, Fla. The trip was offered to any student who had successfully completed the second year of Spanish. Two Spanish students from neighboring schools accompanied the Elba group on the trip.
While in Cancun, the students toured the Mayan ruins of Tulum, snorkeled the crystal-clear waters of Xel-Ha, cruised to Isla Mujeres for an island fiesta aboard the "Fiesta Maya" party boat, and enjoyed various trade show events.
The students were asked what they enjoyed most about the trip and their responses were: Phil Boggan - island adventure on Isla Mujeres; Mona Kelley - bargaining with the Mexicans at flea markets; Kyrill Owens - bacon cheeseburgers at Hard Rock Cafe; Callista Fleming - meeting and speaking to the people of Cancun; Scott Kidd - Isla Mujeres; Jay Grider - Piedmont shuttle and stewardsess; Brett Bryan - taxi rides.
The students, as well as their parents, agree that the trip to Cancun was very rewarding both culturally and educationally. They feel this was a great experience and that it will be a treasured memory of their high school years. Mrs. Lynn Cook and Mrs. Karen Grider gave of their time and effort to make the trip a success. (Not pictured - Scott Kidd, Tobin Lowry, Zion Chapel and Tiffany Parker, Troy)

COUNSELOR'S CORNER

Sen. Richard Shelby (D-Ala.) has urged all young men and women interested in entering a United States Service Academy in July of 1989 to make sure all applications for nomination are received in the Tuscaloosa office postmarked no later than Friday, Nov. 11, 1988.
Shelby also reiterated the importance of contacting both U.S. senators as well as the congressman from the individual's district.
"Before making application, each young man or woman must be sure he or she meets the basic qualifications," Shelby stated.
The academy applicant must be a U.S. citizen, single with no dependents, and a high school senior or graduate. He or she must be at least 17 years of age, but not have passed his or her 22nd birthday on July 1 of the year of admission. This age requirement applies to the Air Force, Military and Naval Academies. The Merchant Marine Academy has raised its age limit to 25 years of age. Merchant Marine applicants can also be married with the provision that they are not domiciled together or on off the campus. The Kings Point Academy also prohibits dependents.
In order that each person seeking a nomination may take advantage of tests administered on different occasions, Sen. Shelby has set a date of Dec. 16, 1988, for all additional or updated material to be submitted. He stressed that "candidates whose files are incomplete just before the nominating decisions are made cannot be given consideration."
Each applicant must also pass the Qualifying Medical Examination as specified by the Dept. of Defense Medical Examination Review Board (DOD-MERB).
To seek a Congressional nomination to the Air Force, Military, Naval and Merchant Marine Academy, write to the Tuscaloosa office of Sen. Shelby: Sen. Richard Shelby P.O. Box 2570 Tuscaloosa, AL 35403 Attn: Connie Butler

Miss Lillie Ward Retires And Returns To Live In Elba

A native of Elba who has been gone from the area since 1964 is back to stay - and even living at her mother's old homeplace.

Mrs. Lillie Ward retired after 20 years teaching in Detroit, Mich., and is now happy to be back home in Elba.

The daughter of Jake Anderson and the late Ethel Anderson, Mrs. Ward loaded up her furniture and headed back to her mother's house, where she says, "I am going to fix it up, just like I want it, and live right there."

"And I'm going to have my father with me - he has been in a nursing home."

"I will probably garden some, just enjoy being back home."

Mrs. Lillie Ward

She said she has slept so good, and even asked someone "Is it this quiet here all the time?" After living in downtown Detroit all this time, she is ready for the slower-paced small town, much quieter atmosphere. She said every night the boats sound out their horns as they go up and down the nearby river.

Mrs. Anderson taught 13 years in Enterprise at Carroll Street Elementary School before going to Detroit.

She received her B.S. in Elementary Education from Alabama State College, and her master's from Wayne State University in Detroit. She attended the University of Detroit in a math program for elementary teachers for one year.

In Detroit she taught third grade 12 years and spent eight in the Reading Lab, where she concentrated on teaching the children to read.

"I am an old-fashioned teacher," she said. "I believe in phonics. But, of course, nowadays schools have computers and more modern ways to teach reading, and we have to go along with it. But I believe the phonics system was good."

"And I like organization. I love

for the children to learn in a systematic, organized manner. "I have always felt we have a very simple assignment as educators and that is to help each child achieve to the maximum of his or her potential."

"I've had lots of results and rewards seeing the children learn. I have loved the children, and loved my work."

Mrs. Ward has a daughter, Dolores Simmons, of Enterprise, who is an education specialist at Ft. Rucker; a brother, Stinson Anderson, and a sister, Ramona Hardwick, both of Elba, although Stinson works in Miami, Fla.; a sister and brother, Nellie Anderson and Algie Anderson, both of New York.

She has four grandchildren, the youngest of which is Keith Simmons, a student at Enterprise Junior High School.

Mrs. Ward plans to join the Elba Zion Baptist Church, where she was baptized years ago.

But this retired teacher also has a dream - "I would love to open a nursery school - a first class nursery school here in Elba - and that is what will be in my thoughts as I get settled back home," she said.

NEW ARRIVAL

Kyle Franklin Newton

Bobby and Lorie (Fudge) Newton of Montgomery announce the birth of their son, Kyle Franklin, on Friday, Sept. 30, 1988, at 6:33 p.m. at Baptist Medical Center in Montgomery.

He weighed 7 lbs. 13 ozs. and was 20-1/2 inches long.

Grandparents are Robert F. and Sherlene Newton of Elba; Jerry and Sara Moore of Montgomery; Carol Fudge of Elba, and Millard Fudge of Clear, Alaska.

Great-grandparents are Mr. and Mrs. Grover Fillingim, Mrs. Mary Newton and Ina E. Brown, all of Elba; and Mrs. Frank Fudge of Timber Lake, South Dakota.

Britt Joseph Grimes

Britt Grimes Celebrates Birthday

Britt Joseph Grimes celebrated his sixth birthday at Show Biz Pizza in Dothan, Ala.

Those joining in the fun were Anna and Ashton Grimes, Douglas and Derek Marler, Steven Smith, Justin Maddox, Lee Scarborough, of Elba; Amelia, Brie, Suzanne and Tiffany Rhoades of Kingston, Melanie and Annette Davis of Wick-

burg, and Bowden and Claire Sessions grandparents, of the Fairview Community Church.

Everyone enjoyed pizza, cake, soft drinks, games and a visit from Billy Bob.

Britt is the son of Bryan and Anita Grimes. He has one sister, Ashton, age 1.

Winners of the "Best Olympic Artwork" were Misty Kelley, Brandee Farris and Andy Daugherty (not pictured). Winners in the "Best Olympic Story" were Luke Bludworth, Bonnie Vaughan, Jason Sasser.

Winners in the "Best Olympic Drawing" contest were Randy Dodo, Heather DuBoise, Cindy Nelson. Winners for the "Best Animal Olympic" picture were Anna Head, LaDon Daniels, Walt Russell.

Students Participate In Activities Concerning 1988 Summer Olympics

Students at the Elba Elementary School have been participating in activities and discussions about the 1988 Summer Olympics.

These activities include Olympic drawings, Olympic art con-

tests, writing Olympic stories, and a reading marathon, and bringing articles made in Korea.

Winners of the contests are shown in the accompanying photographs.

Mrs. Reffegge's 4th Grade - 1st place - Melissa Kelley; 2nd place - Hanna Whitt; 3rd - Ashley Thomas

Mrs. Shipman's 5th Grade - 1st place - Amy Jackson and Shawn Burks; 2nd - Shane Parrish; 3rd - Alonzo Smith

Mrs. Shipman's 6th Grade - 1st place - Mandy Pope; 2nd - Amber Wilson; 3rd - Angie Eddins and Samella Green

Horticulture Tips

Dan Presley-County Agent Coordinator

Iris

Iris are becoming more popular. It can be that newer gardeners are

finding that iris have their place and reason for being used. Iris foliage is

rather dramatic, somewhat like an exclamation point. It's this upright shape of the leaves that adds accent

and contrast. The best contribution is, of course, the blooms. Time of bloom is also important for these beauties seem to fill a void producing their flowers after early spring perennials flower and prior to the time dahlias flower.

Planting Time - Iris are divided and planted during the fall. September and early October are preferred months for transplanting. Larger rhizome consists of more than one growing point. If small divisions containing only a single fan of leaves are used, try grouping three together. Allow 15-18 inches of space between the rhizomes.

Planting - Before planting, cut leaves to one-third their normal weight. After digging a hole, form a small ridge in the center. Place the iris rhizome on the ridge with roots trailing into the planting hole. Rhizomes are planted or slightly above ground level in heavy soils. In light sandy soils the rhizome can be covered one to two inches deep. After covering, water well to settle the soil around the roots.

Peach Tree Brown Rot

Have you eagerly rushed out to your peach orchard, only to find that many of your peaches have fallen victim to brown rot? Using proper sanitation practices you can go a long way to control the spread of brown rot.

It's very important this time of year to pick up peaches that have dried up on limbs or fallen to the ground. It is also wise to prune dead limbs on the tree that could be harboring brown rot fungus.

Want to keep brown rot out of your peach trees? Clean up your orchard now and be ready to start your spray program at bloom next spring and continue spraying until you harvest the peaches.

Pest Problems Of Ferns

Ferns have relatively few pest problems. However, when they do occur they can be devastating. The major pests of ferns include fern scale, hemispherical scale, and several species of mealy bugs.

Scales are usually hard bodied insects without visible legs or means of movement. They may be white or brown, depending upon the insect. Mealy bugs are soft and appear to be covered with a white, mealy or downy substance. The presence of honeydew, a sticky syrup-like material on the foliage, is an indication of fern scales or other insects. If the insects continue to excrete the "honeydew," a black mold-like algae or fungi develops and gives the entire fern a blackened appearance.

When you purchase plants, inspect them carefully to make certain they are free of insects. Check the tops and bottoms of the leaflets and the stems. Do not buy any plant showing the slightest sign of insects.

For years, ferns were considered extremely sensitive to most common insecticides. Consequently, a general recommendation was to discard plants infested with insects. Research in recent years indicates

that many ferns are tolerant to some of our insecticides with only slight injury resulting. However, few, if any, pesticides are cleared by governmental agencies for use on ferns. Soapy water may still be the best treatment for insects on ferns.

Ten nurseries or greenhouse operators can be asked what soil mix they are using and, often, ten different mixes may be reported. These different mixes, however, have some common characteristics.

There is no one perfect soil mix for any given growing operation. The mix which provides the best quality plant growth is relative to watering practices, fertility practices, container plant species and the preference of the grower.

The following are soil mixes that have proven successful for nurserymen and greenhouse operators:

General Greenhouse Mix
#1 - 1 part sandy loam topsoil, 1 part peat, 1 part perlite.

General Greenhouse Mix
#2 - 2 parts fine pine bark, 2 parts peat moss, 3 bags vermiculite.

Woody Ornamental Mix
#1 - 3 parts finely ground pine bark, 1 part peat, 1 part sand (intermediate grade).

Azalea Mix #1 - 3 parts finely ground pine bark, 1 part peat, 1 part sand (intermediate grade).

There are nutrient amendments that should be included in soil mixes. The basic nutrient amendments that are generally recommended are as follows (on a per cubic yard basis):

10# Dolomitic limestone
2# Superphosphate
5-8 ounces of 008 or FTE 503
Trace Element Mix of 2-3# Es-migan and 5 ounces of Nultron.

Ten Free Shade Trees Available

Ten free shade trees will be given to each person who joins The National Arbor Day Foundation during October, 1988.

The free trees are Red Oak, Weeping Willow, Sugar Maple, Green Ash, Thornless Honeylocust, Pin Oak, River Birch, Tuliptree, Silver Maple, and Red Maple.

The trees will be shipped post-paid at the right time for planting between October 15 and December 10 with enclosed planting instructions.

The six to twelve inch trees are guaranteed to grow or they will be replaced free of charge.

To become a member of the Foundation and to receive the free tree, send a \$10 membership contribution to Shade Trees, National Arbor Day Foundation, 100 Arbor Avenue, Nebraska City, NE 68410, by October 21, 1988.

Another idea is to create natural frozen fruit treats. Place individuals grapes, plums, peaches or nectarines in freezer bags. Freeze until solid, then pack the freezer bag with the rest of the lunch ingredients.

The fruit, partially thawed, is a sweet treat without all the sugar. These treats have the appeal of commercial novelties without the sugar or calories, and the cold bag will help keep the other ingredients chilled until lunch time.

Elba Hospital Report

Persons admitted to the Elba General Hospital during the period of September 27 through October 4 were:

Judy Eldridge, Obetis Waters, Lula Cole, Sara N. Smith, Mary Olean Kelley, Linda Spooner, Shirley Newton, Toy Dyess, Jessie M. Brady and Charles Prigden.

Those discharged during the same time period were:

Linda Donaldson, Lula Cole, Shirley Newton, Mary Olean Kelley, Leona Russell, Toy Dyess, Judy Eldridge, Charles Prigden and Sara N. Smith.

Protect The Children

National Farm Safety Week will be observed September 18 through 24. Accidents kill more children than for any other cause, so it's important to reduce risks and teach children proper safety practices. The following tips may help Coffee Countians protect their children from accidents.

Educate youngsters about the dangers of farm equipment.

Keep firearms, chemicals, medications, matches and tools out of reach of children.

Play areas free of hazards, and enclose play areas for preschoolers.

Before letting children ride bikes on public roads, make sure they know the rules of the road and can handle the bike well. Check to see that the bike is in good condition and has the required lighting safety devices.

Make grain bins, shops, animal quarters, silos and chemical storage areas off limits to children. Lock and bar entry. Remove keys from motorized equipment to prevent children from starting it.

Train and supervise young people in new jobs until you're sure they can do those chores safely.

Encourage youths to take part in safety activities of local youth organizations and schools. Involve them in "hazard hunts" around the house to make them more aware of safety.

Do not allow children to be near animals and pastures except when supervised by an adult.

Seat Belts

Fashion And Finance

Auburn University Clothing Specialist Lenda Jo Anderson and Dr. Josephine Turner, Family Economics Specialist, will be in Coffee County on October 18 to conduct a seminar entitled "Fashion and Finance."

Lenda Jo will show you how to achieve and communicate a powerful professional image. Dr. Turner's topic will help you with budgeting and investment tools. What you learn about investments will help propel you toward a successful achievement of personal and financial goals.

This seminar will take place at the Enterprise State Junior College from 4:00 until 8:30 p.m. A \$10 registration fee includes dinner and a washroom show. You must pre-register no later than October 11 to attend. For a registration form, call the Extension Office at 894-5596.

Leg Wear - Fall Fashions

Skirts reach every length this fall, and there's an intense interest in legwear. Tights of cotton or nylon are important accents for short skirts, especially if they're the same color. Cable and ribbed effects add texture and interest.

Socks are also in. Knee-highs are back and are worn pulled over the knee. Look for slouch socks worn with pants and sneakers or on the foot. Ankles, crew socks and double and triple rolled socks are abundant in turtlenecks of teal, pink and yellow, and patterns of stripes and snowflakes, but the pastel palette of peach, lilac and pink is also featured.

Money Matters

If you're head over heels in debt, filing bankruptcy isn't the only solution.

Angela Hughes Report

Fun With Fruit

Now that school has started in Coffee County, you may be wondering what to pack in your child's lunch. Remember that fruit is a good source of vitamins and minerals - if it's eaten.

Pack fruits in a way that will encourage your child to eat them. Core an apple, fill it with a mixture of peanut butter, raisins, chopped nuts, coconut or whatever interesting combination comes to mind. Wrap the apple in plastic wrap and drop it in the lunch bag!

Another idea is to create natural frozen fruit treats. Place individuals grapes, plums, peaches or nectarines in freezer bags. Freeze until solid, then pack the freezer bag with the rest of the lunch ingredients.

The fruit, partially thawed, is a sweet treat without all the sugar. These treats have the appeal of commercial novelties without the sugar or calories, and the cold bag will help keep the other ingredients chilled until lunch time.

THE PRESSBOX

By Ricky Mularz, Editor

I've been making pictures of the "Honored Class" at Elba High School for the past several years and it's amazing how the thirty-year grads get younger looking every year. Back a couple of years ago the returning graduates looked like they had graduated thirty years ago, but recently they have looked more young parents than grandparents. Either I'm finally getting a little older or all these folks have lived clean lives!

ELBA TIGERS CLAIM AREA 3 FOOTBALL CROWN

There can be no doubt who is the champion of Class 3A, Area 3 in 1988! The Elba Tigers defeated Rehobeth 55-0 Friday night to claim the area championship and that means that the Tigers outscored their three area opponents by a combined score of 126-0. Like I said, there is no doubt the Tigers are the champs!

I've thought about Friday night's blowout many times and keep coming up with the same observations - (1) Elba didn't really play that well, and (2) Rehobeth wasn't that bad.

Elba didn't play that well? I really didn't think so, but look at all the contradictions. The Elba offense seemed to have problems moving the ball consistently and scored a couple touchdowns after turnovers, but at the same time Keith Henderson gained 157 yards rushing, Tim Caldwell gained 116 yards rushing and Leon Coleman gained 75 yards on the ground, while quarterback Kevin Matthews passed for 163 yards and had two touchdowns passes dropped and another called back because of a clip or he could have passed for over 300 yards. Add to that the fact that a punt return for a score was also called back and it looks like an offensive spectacular. Over on defense the Tigers posted their fifth shutout in six games and held the Rehobeth backs to under 100 yards rushing and only 8 first downs. Rehobeth did put together some short drives that were stopped near midfield and once had the ball first down inside the Elba 30, but couldn't put any points on the scoreboard. The much maligned secondary surrendered some yardage; however, it came up with three interceptions and even scored on one of them. So, what's the gripe?

Maybe I'm just spoiled! The offense made some mistakes that prevented drives from moving down the field and cost itself two scores because of penalties, not to mention costing itself two other scores with dropped passes. On defense Rehobeth was able to move the ball with its so called wishbone and for the first time all season the hitting wasn't that kind of "head knocking" I've come to love. Like I said...maybe I'm just spoiled!

TWO COUNTY SCHOOLS WRAP UP PLAYOFF SPOTS

The high school football season completed week #7 last week and two of the three county teams in our coverage area clinched spots in the upcoming playoffs. Here's a look at the week that was...

***New Brockton clobbered Florala 40-12 to go 2-0 in its area and the Gamecocks are assured of a playoff berth for the fourth straight year. The Gamecocks have had a chance to rest a couple of players in recent weeks and have an open date next week, so New Brockton could be in better shape than many thought when the playoffs open.

***Kinston edged Coffee Springs 14-13 to earn a spot in the 1A playoffs for the second time in school history and while the Bulldogs may be the source of some kidding around the state, once the playoffs begin the records are thrown out the window and it's a single elimination battle. The Bulldogs need to use the playoff berth as a springboard for some late season wins.

Zion Chapel suffered a narrow 16-15 loss to Wicksburg and I think a lot of folks up in Rebel country will be glad when this year's nightmare of a season is over. The Rebels barely had enough players to field a team prior to the season beginning and have won a couple of games on sheer determination and pride. Zion Chapel has some tough games left against county rivals and while the wins won't come easy, you can bet that the Rebels won't give up.

***Brantley scored late to nip Verbena in what some called an upset and the win was the Bulldogs fifth of the season. Last year the Bulldogs won only one game and spirits hit rock bottom; however, this year the "Dogs are barking loud and their bite has proven to still be fatal. Brantley has already wrapped up a playoff berth and it's a tribute to the program.

PROGNOSTICATING DOESN'T GET ANY EASIER

Despite the fact Ye Ole Polish Prognosticator hit on 28 of 33 picks last week, it just seems like the picking is getting harder and harder each and every week. Oh well, maybe this week I'll change channels on my crystal ball and see what happens! Here goes...

ELBA VS. TROY

Elba has enjoyed tremendous success against Troy for over a decade and when you look at the Tigers' 5-1 record and compare it to the Trojan's 1-6 record, it looks like another big win. Forget the record, the Troy losses have been to folks like Ozark, Eufaula, Stanhope Elmore, Pike County and Andalusia, not exactly a cakewalk for a team in any class. The Trojans have been playing well in recent weeks and will be ready, but I'm giving this shaky vote to the Tigers!

ELBA 16 TROY 14

NEW BROCKTON VS. SAMSON
The Gamecocks can finish area action with a perfect record with a win over the Tigers and you can bet the Gamecocks will be ready after all the

talking some Samson folks did last year after New Brockton lost in the playoffs. If this one is close it will be out of pity!
NEW BROCKTON 35 SAMSON 0

ZION CHAPEL VS. KINSTON

Whenever two county rivals get together you can throw the records out the window and such will be the case Friday night when the Bulldogs and Rebels tangle. Zion Chapel has struggled as of late and Kinston is on a high after winning a spot in the playoffs, but I've got a hunch the Rebels could have an ambush planned!

ZION CHAPEL 28 KINSTON 12

BRANTLEY VS. HIGHLAND HOME

The Bulldogs can win the area with a victory over the Flying Squadron, and this is another county rivalry that means the hitting will be harder than ever and even the cheerleaders will be giving 100%. Highland Home has to be the favorite; however, Bulldogs weren't meant to fly anyway and could just run down the Squadron!

Elba Tigers hope to put damper

on Troy homecoming celebration

The Elba Tigers will be hoping to put a damper on the homecoming plans of the Charles Henderson

High Trojans Friday night when the Tigers invade Troy for their annual clash with the 5A Trojans.

The Tigers will carry a record of 5-1 and the Class 3A, Area 3 crown into the contest, while the Trojans stand at 1-6 for the season. "Troy is a much improved team since the beginning of the season," stated Elba's Coach Mack Wood, "and for the past five weeks they have really played everybody tough. Their record isn't too impressive, but when you consider some of the losses were to teams like Andalusia, Pike County, Eufaula, Stanhope Elmore and they beat Wetumpka, it is an entirely different story."

Troy has played sound on both offense and defense in recent weeks and has developed into a very good football team," added Wood. "On offense they run a wide open wishbone that puts pressure on the defense all over the field. They have a big fullback that weighs 220 pounds that pounds away at the middle and they also have the speed to get outside and break the long run at any time. Troy will spread out all over the field with two split ends and try to hit you with the big play at any time. On offense they are like a time bomb waiting to go off. On defense, Troy uses a six man line and really plays hard against the run. They've got good linebackers and real good down linemen and as the season has progressed they have really grown up and turned into a solid defensive unit."

"If we hope to win we'll have to do four things," said Wood. "One, we'll have to stay away from mistakes that cost you, like turnovers and penalties. We can't lay the ball down against a good team like Troy and we certainly can't continue to make as many penalties as we've been making. Two, we'll have to play our best game of the year on defense in every way. We'll have to be alert and play smart in the secondary and at the same time be real physical in the line and tackle well. Three, we will have to move the ball consistently and sustain drives to keep the ball away from Troy. We'll have to be balanced and be effective both running and passing. Four, we will have to have an outstanding kicking game. They have the speed to break a long run on punks and we'll have to do a good job punting and kicking."

"This will be a very tough game for us," said Wood, "and we'll find out a lot about our team in the game." When asked about last week's win over Rehobeth, Coach Wood stated, "We knew Rehobeth was young and in a rebuilding year and it showed in the second half. They came to play and gave us a battle for a while and they never gave up. We played sound football and got a chance to get everyone into the ballgame. I was proud of the team's effort and proud of the team for playing well in the second half, but I certainly wasn't proud of the penalties. The passing game was improved and we did an adequate job running, while the line blocked better in the second half. The defense improved in the second half and while we didn't play that well up front, we did play a lot of folks."

LIFE CAN BE HARD ON THE ROAD!! TRAVEL TO TROY FRIDAY NIGHT AND SUPPORT YOUR TIGERS!!!!

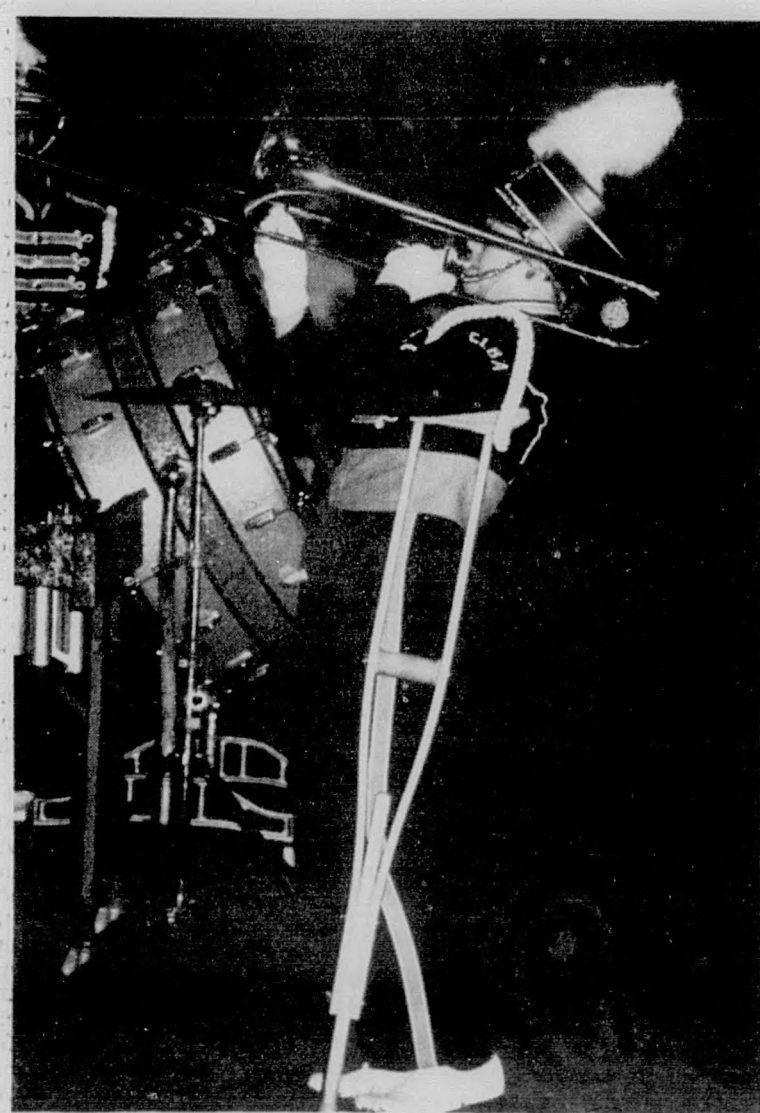

Tigers smash Rehobeth 55-0 for homecoming win

OFF AND RUNNING...Elba's David Rowe (24) is endzone bound after intercepting a pass in last week's win over Rehobeth. Rowe returned the interception 37 yards to ignite a third quarter scoring explosion.

Elba's Keith Henderson (23) leaps over a would be tackler as he gains big yardage in last week's action. Henderson gained 157 yards and scored 3 touchdowns in the win.

PLAYING WITH PAIN????A member of the Marching Tiger band carried the old saying "playing with pain" to a new level last week as all that was needed to make the halftime show was a crutch.

The Elba Tigers gave a large homecoming crowd plenty to cheer about Friday night as they blasted the Rehobeth Rebels 55-0 to claim the Class 3A, Area 3 football championship.

The win upped the Tigers' record to 5-1 and gave Elba a final Area 3 slate of 3-0 while Rehobeth slipped to 2-5, 0-2 in Area action, with the loss.

The Tigers got the ball at the Elba 47-yardline after an early Rehobeth punt and wasted little time grabbing the lead for good as they drove 53 yards in 6 plays to reach paydirt.

Leon Coleman gained 17 yards on two carries during the march, while Keith Henderson gained 36 yards on 4 tries and got the score on a 6-yard run. Wade Hart added the extra-point and with 8:41 left in the first quarter Elba was on top 7-0.

Rehobeth showed signs of life on its next two series and the Rebels marched to the Elba 25-yardline late in the first quarter; however, the Tiger defense rose to the challenge and stopped the Rebels far from the endzone.

The Tigers took over at the 25-yardline and drove 75 yards in only 4 plays to add to their lead. A 31-yard scamper by Keith Henderson got the drive off to a quick start, while the touchdown came on a 50-yard pass from Kevin Matthews to David Rowe. Wade Hart again added the p.a.t. and with 11:49 left in the second stanza the Tigers were in command 14-0.

Elba marched to the Rehobeth 10-yardline midway through the second quarter and appeared to be headed for another score, but the offense bogged down and when a pass fell incomplete on fourth and nine the threat had ended.

The Tigers got the ball back at the Elba 42 following a Rebel punt and this time made it into the endzone as they drove 58 yards in 6 plays. A 15 yard run by Keith Henderson and a 33-yard pass from Kevin Matthews to Matt Henderson were big plays in the drive, while the score came on a 10 yard scamper by Keith Henderson. Henderson also got the call on the two-point conversion and with just :43 left in the half the Elba lead was up to 22-0.

A fumble recovery by Ronnie Edwards gave the ball back to the Tigers at the Rehobeth 49-yardline with :02 left on the clock and the Tigers continued their fireworks as on the final play of the half Anthony Brooks caught a screen pass from Kevin Matthews and raced in, for an apparent touchdown. A clip nullified the score, but at the half the Tigers were in charge with a 22-0 lead.

Elba began its second series of the third quarter at the Rehobeth 24-yardline after Ronald McKinnon partially blocked a Rebel punt and despite two penalties the Tigers marched in for a score. A 33-yard pass from Kevin Matthews to David Rowe was a big

play in the drive and the touchdown came when Matthews tossed a 9-yard pass to Matt Henderson. A bad snap foiled the extra-point try, but with 4:09 left in the quarter the Elba lead had grown to 28-0.

Rehobeth went to the air on its next series and the plan spelled immediate doom for the Rebels as on first down Elba's David Rowe intercepted a Rebel pass and rambled 37 yards for a touchdown. Kevin Matthews passed to Joe Brooks for the two-point conversion and with 3:37 still left in the stanza the Tigers were on their way with a big 36-0 bulge!

Elba's Rico Hill intercepted a Rehobeth pass and returned it to the Rebel 35-yardline two plays after the ensuing kickoff and the Tigers once again struck quickly as on second down Keith Henderson raced 35 yards for a touchdown. The extra-point try failed, but with 1:12 left in the wild third quarter the Rebels were in total command with a 42-0 lead.

Elba's Scotty Hooks recovered a Rehobeth fumble on the first play after the ensuing kick at the Rehobeth 44-yardline and one play later the Tigers were back in the endzone!

The score came on a 42 yard scamper by Tim Caldwell and although the p.a.t. failed, Elba's lead had ballooned to 48-0 with 11:07 still left in the game.

Rehobeth was stopped at the Elba 14-yardline following a Tiger fumble and the Elba offense responded by driving 86 yards in 6 plays to put the final points of the night on the scoreboard.

Tim Caldwell gained a total of 75 yards during the drive and got the score on a 56 yard run. Brian Goodgame added the extra-point and it was time to celebrate as the Tigers had won 55-0!

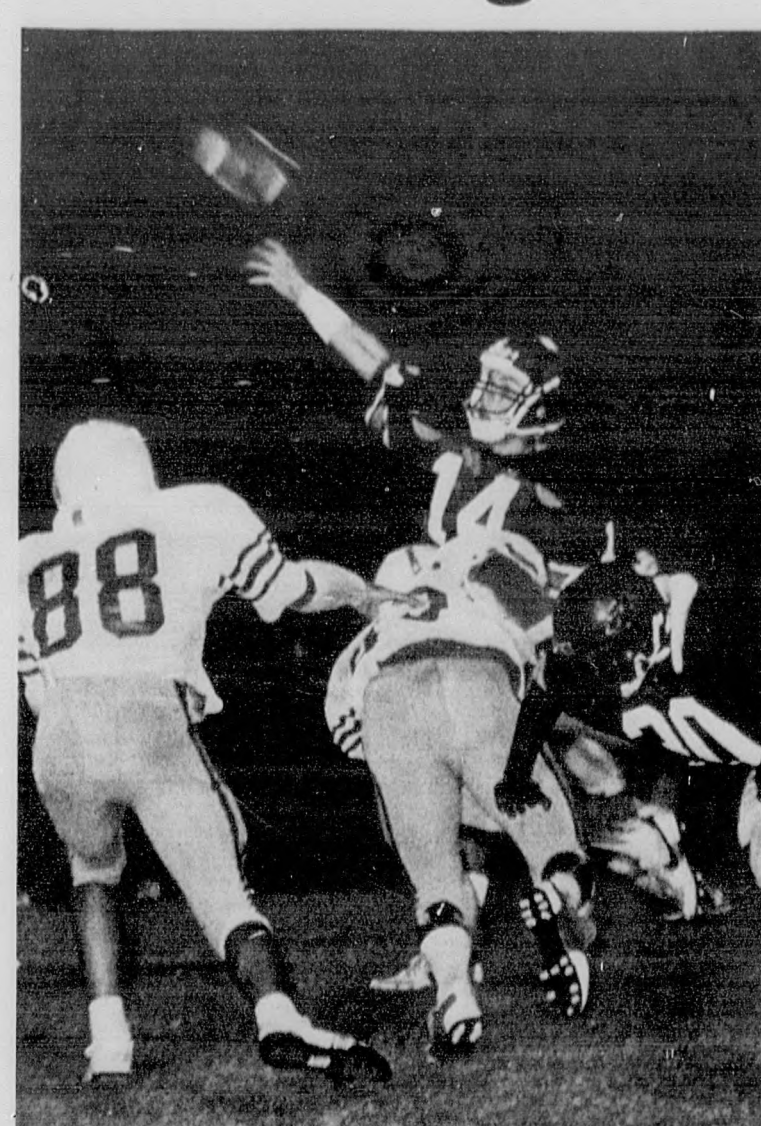

Keith Henderson gained 157 yards on 16 carries and scored 3 touchdowns to lead the Elba ground attack, while Tim Caldwell added 116 yards on 6 carries and Leon Coleman gained 76 yards on 7 carries.

Kevin Matthews completed 6 of 12 passes for a season-high 163 yards and his favorite targets were David Rowe with 2 catches for 83 yards and Matt Henderson with 2 catches for 42 yards.

Kelvin Caldwell made 8 tackles to pace the Elba defense, while other defensive standouts included Larry Dixon and Anthony Brooks with 7 stops apiece; Ronnie Edwards and Marvin Lockett with 6 tackles each and David Rowe, Ronald McKinnon and Benny Wilkerson with 5 stops apiece.

BLEED THROUGH

Brantley rally sinks Verbena 13-6

BY BILLY W. WILLIAMSON

The Brantley Bulldogs marched 88 yards in 14 plays in the fourth quarter Friday night to pull out an exciting 13-6 win over the Verbena Red Devils.

The Homecoming win upped Brantley's record to 5-2, while the Red Devils saw their record slip to 4-3 with the loss.

Brantley received the opening kick and promptly marched down the field behind the running of

Andy Kimbro and Ken Benton and the passing of Shawn Wilcox. The Bulldogs drove to a first down at the Verbena 25-yardline, but bogged down and turned the ball over on downs at the 21.

The defenses dominated the action for the remainder of the half until the Bulldogs got the ball at the Brantley 25-yardline with less than two minutes left on the clock.

The Brantley offense seemed determined to get on the scoreboard prior to the half and did just that, as

the Bulldogs marched 75 yards in 8 plays to reach paydirt! A 13 yard run by Andy Kimbro got the drive off to a fast start, while a 17 yard pass from Shawn Wilcox to Sandy Smith and a 13 yard toss from Wilcox to Jeff Bush helped move the chains to a first down at the Verbena 12-yardline with :20 left on the clock. The touchdown came one play later when Wilcox hit Wesley Person with a 12 yard scoring pass and although the extra-point attempt sailed wide, Brantley had the

lead 6-0 with only :13 left in the half.

Brantley threatened early in the third quarter following a 13 yard punt return by Wesley Person and marched to the Red Devil 22, but lost possession on a fumble to kill the drive.

Verbena stunned Brantley late in the third stanza when Alex Byrd broke loose on a 76 yard touchdown scamper, but David Burnett and Marcus Moody blocked the extra-point try and with 2:16 left in the quarter the game was deadlocked at 6-6.

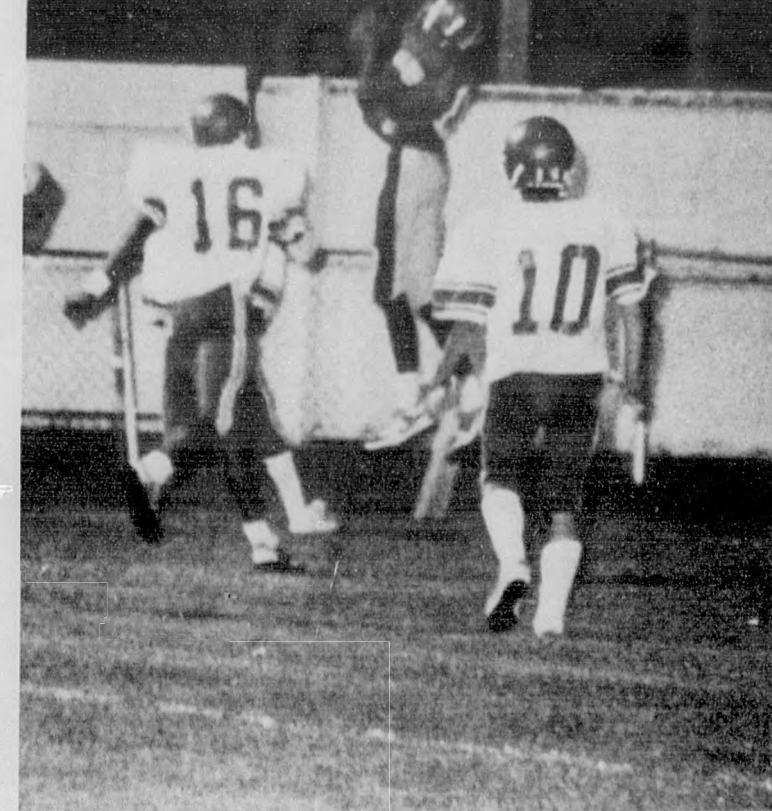

Brantley put the ball in play at its 23-yardline with 9:00 left in the game following a Verbena punt and the Bulldogs brought the homecoming crowd to its feet as they marched down the field for the winning score!

A penalty on first down left Brantley 88 yards from paydirt, but the Bulldogs got a break when the Red Devils were hit with a major distance penalty and Brantley had a first down at the 26.

The Bulldogs marched out to the 38 behind the running of Andy Kimbro and Ken Benton and two plays later hit for big yardage as Shawn Wilcox passed to Wesley Person for a 36 yard gain to the Red Devil 22!

A 4 yard gain on fourth and four by Shawn Wilcox kept the drive alive and one play later Ken Benton scampered in from 8-yards out for the touchdown. Jeff Bush added the extra-point and with 3:38 left on the clock the Bulldogs were back in front 13-6.

Big defensive plays by David Burnett and Paul Cook prevented the Devils from beginning a potential scoring drive, and it appeared as if the Bulldogs would put the win on ice after Ken Benton rambled 34

Brantley's Wesley Person (11) leaps high to pull in a touchdown pass during last week's 13-6 win over Verbena. The Bulldogs rallied in the fourth quarter to claim the win and up their record to 5-2.

yards to the Verbena 18; however, the Red Devils recovered a Brantley fumble at the 17 to kill the threat and got another chance.

Verbena went to the airways following the fumble and behind the passing of Alex Byrd marched to a first down at the Bulldog 30 with :33 left on the clock. Verbena got as close as the 22, but could get no

closer as the Bulldogs held on for the win.

Ken Benton gained 149 yards on 27 carries to lead Brantley, while Andy Kimbro added 75 yards in 13 tries.

Brantley made a total of 18 first downs, gained 207 yards rushing and 124 yards through the air. Verbena rolled up a total of 143 yards.

Opp received the opening kickoff and marched to a first down at the Elba 29-yardline, but the Tiger defense rose to the early challenge and knocked down three straight passes to kill the threat.

Elba gave the ball right back on a pass interception, but got the ball back when Jonathan Lawrence picked off a Bobcat pass at the Opp 24 and took advantage of the turnover to put the first points of the night on the scoreboard.

A short run by Gary Ware moved the ball to the 20 and on the next play Chris Tyson bulled up the middle and rambled 20 yards for the score. Marcus Tyson added the two-point try and with 5:26 left in the half the Tigers had the lead at 8-0.

Opp went to the airways following the Elba score and the plan backfired as Elba's Marcus Tyson

New Brockton clobbers Florala 40-12

By: Greg Brunson

The New Brockton Gamecocks scored early and often this past Friday night as they dominated the Florala Wildcats by the score of 40-12. The Gamecocks' defense was so strong Friday night that every snap of the first half came from Florala territory.

Kenny Griffin got the scoring started early as he carried 4 yards to cap a 46-yard drive that took only 6 plays. Griffin's 4-yard touchdown followed a beautiful 30-yard gallop by Griffin on the previous play. Robert Kilow's extra point attempt sailed wide left, leaving the score 6-0 with 7:36 to go in the first quarter.

The next Gamecock possession ended in a 29-yard touchdown run from Robert Kilow. This was a 3-play drive that covered 42 yards. Matt Rodgers passed to Kenny Griffin for the two-point conversion giving New Brockton a 14-0 lead with 4:17 left in the first quarter.

On Burrows set up the next New Brockton score as he intercepted a Mike Gardner pass at the Wildcats' 35-yard line. Greg Sowell carried the final 3 yards for the touchdown on the eighth play of the drive.

The key play of this drive was a 15-yard pass play from Rodgers to Bob Pittman on a fourth-and-13 play. William Mougel booted the

extra point, giving New Brockton a 21-0 lead with 11:54 remaining in the half.

The two teams exchanged fumbles on their next possessions with Richard Dunnigan recovering for the Gamecocks and David Thrash claiming the Wildcats' recovery on the next play.

Greg Sowell got his second touchdown of the game with 5:54 left in the second quarter. This score came on a 4-yard run, capping a 4-play drive that covered 36 yards. Matt Rodgers passed to Sowell on the two-point attempt only to have Greg slip down short of the end-zone, leaving the score New Brockton 27 - Florala 0.

The Gamecocks got the ball back on downs at the Florala 36-yard line with only :08 seconds remaining in the half. Matt Rodgers dropped back and fired a strike to a wide open Bob Pittman, who ramled into the endzone as the horn sounded ending the half. Mougel's kick was no good, leaving the score New Brockton 33 - Florala 0.

Midway through the third quarter, New Brockton put together an 82-yard drive that took only 9 plays. Greg Sowell went off right tackle for the last 20 yards and his third touchdown of the night. William Mougel booted the extra point to stretch the Gamecocks' lead to 40-0 with 4:56 still to play in the third quarter.

David Thrash got the Wildcats' first points on a beautiful 50-yard carry on an inside trap. A try for

two failed, leaving the score 40-6 with 4:04 to go in the third quarter.

A Ken Johnson fumble recovery set up another David Thrash touchdown as he carried the final 17 yards on a sweep around right end. This was a 50-yard drive that took 7 plays.

Another try for two failed, making the final score 40-12. This score came with 11:10 left in the game.

The Gamecocks drove deep into Wildcat territory on their next possession but this 9-play drive ended as Florala held at their 9-yard line. New Brockton will take their 6-1 record to Samson this Friday night to battle the Tigers. A Gamecock victory would clinch the area title.

See ya there!

Wicksburg Panthers rally late to edge Zion Chapel Rebels 16-15

By: Ronny Shiver

The Zion Chapel Rebels appeared to have the win over the Wicksburg Panthers Friday night as they went in at the half, but the Panthers came back in the second half and barely eased by the Rebels in a hard-fought battle that lasted until the final whistle blew.

The 16-15 score dropped the Rebels to 2-5 for the season.

The Panthers took the opening kick and gained a couple of first downs but the drive stalled on the Rebel 21.

Zion took its first possession of the game and behind the running of Faison, Flowers and Duncan, and a 22-yard pass reception by Shannon Morris, drove 79 yards downfield to the Panther 5, ending the first quarter of play.

Then on the first play of the second

quarter, Stacy Faison scrambled 5 yards to the end zone for the TD.

Jamie Duncan put the extra point through and Zion went out 7-0 with 5 seconds gone in the second quarter.

Each team traded points in the opening minutes of the second quarter, but on a 4th down punt attempt, the Panthers had trouble handling a bad snap, resulting in the Rebels taking over with good field position, on the Panther 37.

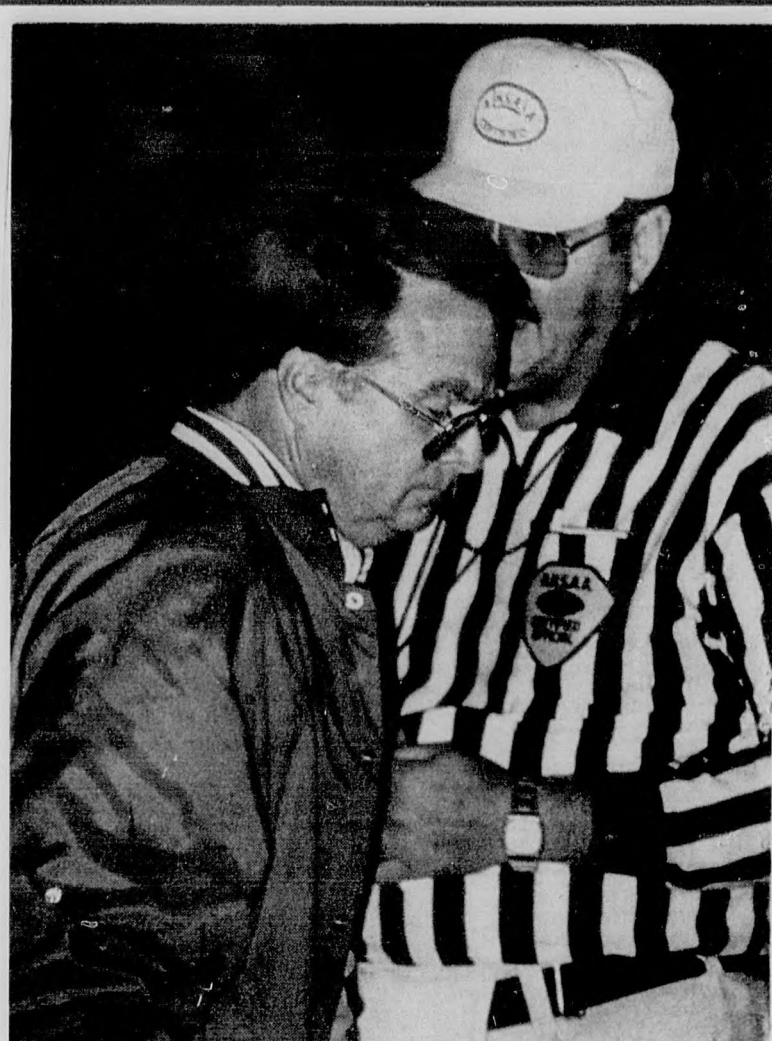

The Rebels took 3 penalties and minus-20 yards on the first 4 plays of their possession, but came back with good runs by Flowers and Faison, moving the ball down to the Panther 2.

Flowers tucked the ball away on 1st down and scampered around the right end to put the Rebels up 13-0. On the extra point attempt the snap was bobbled by Flowers, who immediately swept the ball up and headed for the end zone, where he was hit hard at the 1-yard line, knocking the ball loose and into the end zone where it was recovered by Shannon Morris to give the Rebels 2 points on a disaster play that pushed their lead to 15-0 and ended the first half of play.

At halftime the Rebel Band, coming off its first contest of the year with Superior and Expert ratings, entertained the crowd with an outstanding performance.

The second half began with the Rebels taking the kickoff, but fumbled the ball away to the Panthers, who returned the favor and gave the ball back to the Rebels on their own 34.

The Rebels failed to put together a sustaining drive and the Panthers took over on the 50. Fourteen plays later the third quarter ended with the Panthers knocking on the Rebels' door, and on the final play of the final period, Wicksburg drove in

Zion Chapel's Coach Tom Moates discusses a call with a ref during the Rebels 16-15 loss to Wicksburg. The Rebels will return to action this week against arch-rival Kinston.

from 4 yards out to put the Panthers on the board.

A two-point play was successful and the Panthers gained ground 15-8.

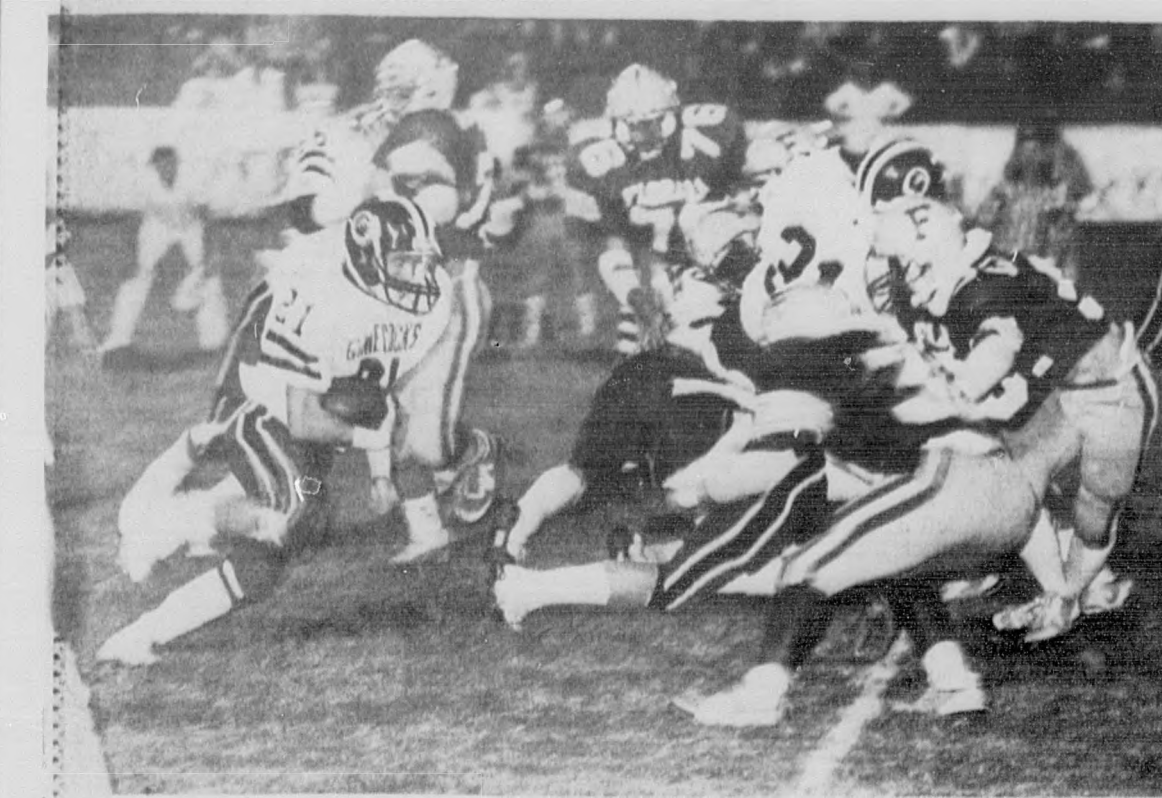

Zion took the Panthers kickoff, but on a mishandled fourth-down punt attempt, gave the ball to Wicksburg on the Rebels' own 25. Seven plays later, Wicksburg connected with a pass in the end zone to pull them within one point of

the Rebels.

The Panthers elected to go for the win rather than a tie, and on a 2-point play and end sweep by Mathis, overtook the Rebels by one and made the score Zion 15 - Wicksburg 16, with 6:17 left in the game.

Zion Chapel's Stacy Faison (34) dives into the endzone to give the Rebels an early 6-0 lead over the Wicksburg Panthers. Zion Chapel carried a 15-0 lead into the half, but saw Wicksburg rally to pull out the 16-15 win.

New Brockton's Kenny Griffin (21) cuts upfield and eyes a pair of Florala defenders during action Friday night. The Gamecocks clobbered the Wildcats 40-12 to go 2-0 in the area and can finish the season with a 3-0 slate when it meets Samson this week.

Elba Junior Tigers rip Opp Jr. 22-8

The Elba Junior High Tigers gained a measure of revenge last Thursday night when they ripped the Opp Junior Bobcats 22-8, in Elba.

The win upped Elba's record to 2-3, while Opp fell to 5-1 with the loss.

Opp received the opening kickoff and marched to a first down at the Elba 29-yardline, but the Tiger defense rose to the early challenge and knocked down three straight passes to kill the threat.

Elba gave the ball right back on a pass interception, but got the ball back when Jonathan Lawrence picked off a Bobcat pass at the Opp 24 and took advantage of the turnover to put the first points of the night on the scoreboard.

A short run by Gary Ware moved the ball to the 20 and on the next play Chris Tyson bulled up the middle and rambled 20 yards for the score. Marcus Tyson added the two-point try and with 5:26 left in the half the Tigers had the lead at 8-0.

Opp went to the airways following the Elba score and the plan backfired as Elba's Marcus Tyson

intercepted a pass at the Tigers' 44-yardline and raced 56 yards down the sidelines for a touchdown. The two-point try failed, but with 3:17 left in the half the Tigers were on top 14-0.

Neither team could mount a threat early in the third quarter, but Opp began a drive late in the stanza and marched 57 yards in 9 plays to cut into the Elba advantage. The score came on a 23 yard pass and a two-point pass also clicked as Opp pulled within 14-8 with 4:38 left in the game.

Elba's Marcus Tyson broke loose on a 70 yard scamper on the Tiger's first play following the ensuing kick and three plays later Gary Ware scored from 2 yards out to stretch the lead to 20-8. Chris Tyson ran in on the two-point attempt and with 2:29 left in the game the Tigers were breathing a little easier with a 22-8 lead.

Opp never gave up and drove deep into Elba territory late in the game, but Gary Ware picked off a Bobcat pass with :08 left and the Tigers had the win 22-8.

Marcus Tyson gained 98 yards on 6 carries to lead Elba, while

Chris Tyson added 41 yards on 8 tries. Marcus Tyson made 7 tackles and intercepted a pass to spark the defense, while Chris Tyson made 6 stops and Terry Goosby and Chris Flowers both made 5.

Kinston sneaks past Coffee Springs 14-13

The Kinston Bulldogs earned a spot in the upcoming state Class 1A playoffs Friday night by posting an exciting 14-13 win over the Coffee Springs Golden Bears.

The win upped the Bulldogs record to 2-5, 1-1 in Area action, while Coffee Springs saw its record dip to 0-7, 0-1 in Area play, with the loss and saw its losing streak reach 19 games.

Kinston received the opening kickoff and looked as if it would

blow the Bears off the field as it marched 64 yards in 9 plays to get on the scoreboard. Chad Keith got the touchdown on an 8 yard run and although the extra-point failed, the Bulldogs were on top 6-0 with 8:20 still left in the first quarter.

The Bulldog lead was short lived; however, as Coffee Springs' Larry Lawson took the ensuing kick at the Golden Bear 15-yardline and raced 85 yards for a touchdown. Billy Webb added the extra-point

and with 7:54 left in the stanza Coffee Springs had jumped ahead 7-6.

The Bulldog offense put the ball in play near midfield following an unsuccessful on-sides kick attempt and wasted little time marching down the field for another score!

The drive covered 55 yards in 9 plays and was climaxed when Chad Keith bulled over from 6 yards out on fourth down. Chris Austin ran in for the two-point try and with 4:28 left in the stanza the Bulldogs were back ahead 14-7.

Coffee Springs threatened on its next series and had a touchdown nullified by a clip, but the Bulldog defense grew mean with its back against the goal line and when Steve Rhoades sacked the Bear quarterback on a crucial play the threat went by the board.

Coffee Springs got the ball back on a Kinston punt and this time marched 47 yards to paydirt. Billy Webb passed to Camell Crawford on a faked field-goal attempt from 14 yards out for the score, but a bad snap on the extra-point try foiled the attempt and Kinston still clung to a 14-13 advantage.

Kinston threatened late in the half after a fumble recovery by Larry Beavers, but the Bulldogs ran out of time and at the half the Kinston lead remained at 14-13.

The defenses ruled the action in the third quarter as neither team could mount a serious threat, but the Bulldogs came to life early in the fourth quarter and drove all the way to the Bears 9-yardline. Chris Austin was the workhorse of the drive, but the Dogs were turned away empty-handed when they fumbled and Coffee Springs recovered at the 10.

Both teams moved the ball well throughout the quarter, but neither could cross the goal line and it looked as if Kinston would hold on for the win until a Bulldog punt was blocked and Coffee Springs recovered at the Kinston 44 with 2:19 left on the clock.

The Golden Bears marched to the 20-yardline with less than a minute left on the clock and attempted a 37-yard field-goal; however, the kick sailed wide and Kinston had the win and the playoff berth!

Chris Austin gained 114-yards on 26 carries to lead the Kinston offense, while Mike Glass made 15 tackles to lead the defense.

Kinston standout Mike Glass (24) talks with an official during a recent Bulldog game. Glass and his Bulldog teammates wrapped up a spot in the Class 1A football playoffs last week by defeating Coffee Springs 14-13 and this week will battle county rival Zion Chapel.

Round & About With ERIA 897-2006

***The king's heart is in the hand of the Lord, as the rivers of water: he turneth it whithersoever he will. Every day of a man is right in his own eyes; but the Lord pondereth the hearts.

To do justice and judgment is more acceptable to the Lord than sacrifice, an high look, and a proud heart, and the plowing of the wicked, is sin. Proverbs 21:1-4
